

# **SUZUKI Teacher Workshop with Rebekah Waggoner**

**October 27, 2023**

>>**LOCATION:** *Jane Guerin's Studio, 269 W. Walnut Lane, Philadelphia*

>>**TEACHER SESSION:** "Pre-Twinkle Toolbox" Featuring Rebekah Waggoner

**Date and Time:** **Friday, October 27, 2023 – 10-1:00 PM**

Searching for ways to engage preschool beginners? Need new creative ideas to keep their interest while building skills? Looking for a more systematic, yet flexible approach as your young students prepare to play the Twinkle Variations? Join us for a stimulating morning designed to build your Pre-Twinkle toolbox! Together, we will consider the skills necessary to play the Twinkle Variations and participants will return to their students with activities, songs, finger-plays, and games to build these skills. Bring your favorite beginner games/songs to share!

This is an in-person event. There are no plans to offer an online option. Participants will experience various activities together as a group. Everyone will be encouraged to share their own pre-Twinkle activities.

All participants are invited to bring a lunch and join us after the workshop for socializing and conversation.
