GPSA Fall Workshop for Suzuki Piano Teachers

October 27, 2023

10:00 AM to 1:00 PM

Featuring **Rebekah Waggoner** and her **Pre-Twinkle Toolbox**

Searching for ways to engage preschool beginners? Need new creative ideas to keep their interest while building skills? Looking for a more systematic, yet flexible approach as your young students prepare to play Twinkle variations? Join us for a stimulating morning designed to build your Pre-Twinkle toolbox! Together, we will consider the skills necessary to play the Twinkle Variations and participants will return to their students with activities, songs, fingers-plays, and games to build these skills. Bring your favorite beginner games/songs to share!

Where: Studio of Jane Guerin, 269 W. Walnut Lane, Philadelphia
(in the Germantown area of the city)

Fees:	GPSA Members	\$40.00
	Non GPSA Members	\$50.00

This is an in person event. There are no plans at this time to offer an online option. Participants will experience various activities together as a group. Everyone will be encouraged to share their own pre-Twinkle activities.

All participants are invited to bring a lunch and join us after the workshop for socializing and conversation.

Registration will be available on the GPSA website in early September. We will send another announcement at that time.
